

Dodge County Traffic Safety Commission  
124 West St. Juneau, WI 53039

Joel Kiesow, Coordinator  
Capt. Trace Frost, Dep. Coordinator

**Press Release 01/11/2016**

## **Traffic Safety Commission/Website/Community Maps**

Any Wisconsin resident, who observes an unsafe condition on local, county or state roads, can bring the problem to the attention of the proper authorities, according to Joel Kiesow, Dodge County Highway Safety Coordinator. In Dodge County you may call Dodge County Central Dispatch at 920-386-3726 or the Dodge County Highway Safety Coordinator at 920-386-4017. You may also go to the Sheriff's Department website and look for the tab on the left "**Traffic Concerns**" and e-mail us.

If the traffic concern is of a serious/dangerous nature temporary signs may be erected to warn drivers in the interim until a permanent replacement can be installed i.e. (missing stop sign) please call 911 to let us know.

For fatal crash data in Dodge County, real time road conditions and traffic tips, visit our web-site; <http://www.co.dodge.wi.us/index.aspx?page=825> our web-page can be found on the Dodge County website under "Departments" Traffic Safety Commission.

The forum for citizens to use is their local law enforcement or highway agency as the first step. Describe the nature of the problem, and ask that it be discussed at the next commission meeting. It is not always necessary that the individual appear before the commission, but it would be helpful to commission members to know the exact nature of the problem and how it affects the safety of other motorists.

Wisconsin has a Traffic Safety Commission (TSC) in each county and a Traffic Safety Coordinator. (Wisconsin statutes 83.013 and 59.07 (34m). TSC's meet quarterly and review traffic crash data and fatal crash locations. TSC's also review other traffic safety related information (speed studies, engineering studies, citation data, etc.). Members of the Dodge County Traffic Safety Commission are expected to:

A. Represent the interests of their constituency. (Health, engineering, enforcement, and citizen groups, etc.).

B. Offer solutions to traffic safety related problems that are brought to the commission.

C. Report back to their constituency.

The Traffic Safety Commission meets quarterly, January 11, April 11, July 11 and October 10, 2016 at 09:30 A.M. The meeting is open to the public and are held at the Dodge County Sheriff's Department training room, 124 West Street Juneau, WI 53039
